OPIS PRODUKTU

The versatile and wireless Full HD home theater projector for stunning images.

The Home Cinema 3600e projector delivers superior image quality and wireless HD performance for your living room or dedicated home theater. Offering up to 3x Brighter Colors* than competitive models, Epson 3LCD projectors ensure stunning images. This blockbuster projector features 2500 lumens of color brightness and 2500 lumens of white brightness¹, plus up to 70,000:1 contrast ratio for deep black levels. Use the WirelessHDTM transmitter to project 2D and 3D content in Full HD 1080p from anywhere in the room. Get more positioning flexibility with wide horizontal and vertical lens shift, and 1.6x zoom lens. Two built-in 10 W stereo speakers add lifelike sound.

Up to 3x Brighter Colors with Epson*

Brilliant image quality requires high color brightness. Epson 3LCD projectors have up to 3x Brighter Colors than leading competitive projectors.* Delivering 2500 lumens of color brightness¹ and 2500 lumens of white brightness¹, the PowerLite Home Cinema 3600e uses 3LCD, 3-chip technology for brilliant images with true-to-life color.

Model: V11H652020

Projection System: 3LCD, 3-chip technology

Native Resolution: 1080p (1920 x 1080)

Color Brightness: 2500 lumens¹

White Brightness: 2500 lumens¹

Key Features

[Back to top](#)

Bright and Colorful

Features 2500 lumens of color brightness (color light output)¹ and 2500 lumens of white brightness (white light output)¹

[See the video >](#)

1080p

Supports full HD 1080p resolution

3-Dimensional Picture

2D & 3D Full HD technology puts you right in the middle of exciting, lifelike adventures.

Contrast Ratio

Up to 70,000:1 contrast ratio

Lens Shift

Equipped with horizontal and vertical lens shift, to help configure projector setup

Wireless HD

Project anywhere without extra wires, using an Epson transmitter that streams a Full HD signal wirelessly — keeping things tidy and your A/V equipment separate from your projector.

Up to 3x Brighter Colors and reliable performance — 3LCD, 3-chip technology*

One measurement of brightness is not enough — look for both high color brightness and high white brightness.

The PowerLite Home Cinema 3600e has:

Color Brightness: 2500 lumens¹

White Brightness: 2500 lumens¹

Stream Full HD content wirelessly — use the included WirelessHD transmitter to project from anywhere in the room and eliminate unsightly cable clutter; connects up to 5 HDMI devices simultaneously

Blockbuster performance for your home theater — watch unbelievable 2D and 3D movies, sporting events and more in Full HD 1080p

Flexible positioning and easy setup — vertical and horizontal lens shift, 1.6x zoom and a compact design mean you can place the projector virtually anywhere, even in a tight shelf space

Experience unbelievable 3D action — two pairs of rechargeable RF 3D glasses included

Deep black levels — a remarkable contrast ratio of up to 70,000:1 for discerning home theater enthusiast

Advanced image quality — Super Resolution with Detail Enhancement for crisp, sharp images

Captivating sound right out of the box — two built-in 10 W stereo speakers deliver lifelike sound, no external speakers necessary

Optimize your image — choose from seven built-in color modes for different environments or content
