DIMENSION SET

FOCAL

Soundbar + Subwoofer

HEAR BETTER, SEE BETTER

Dimension is a soundbar with exceptional acoustic qualities perfectly adapted to flat screens. R&D teams offer you a sound bar capable of restoring a quality sound with clear and natural-sounding dialogues thanks to five ultra-flat patented speaker drivers. Dimension is the response to the desire of flat screen's owners for powerful sound in a discreet and perfectly integrated audio system. Finally offer to your images the sound and emotions they deserve!

AN EASIER INTEGRATION

The small thickness (65mm) and the compactness of Dimension allow it to perfectly fit your room whatever the configuration of your acoustic installation. It is easy to install on a wall or a TV cabinet. Associated with its subwoofer, Dimension and Dimension Sub then become one making a perfect sound base for your flat screen.
