Producent **Sony**

### OPIS PRODUKTU

With an omnidirectional (360 degree) pick-up pattern, this high quality mono microphone captures crisp, clear speech from every conference participant in a boardroom or meeting space.

The slim, low-profile microphone sits discreetly on a conference table. For best results, it's recommended to locate meeting participants approximately 0.5-1.5m from the microphone.

Acceptable audio quality is also obtained with speakers at a distance of up to 3m.

The PCS-A1 is compatible with a wide range of Sony Video Conferencing systems, including the PCS-XG100, PCS-XG77, PCS-XG80, PCS-XG55, PCS-XL55, PCS-XA55, PCS-XA80 and PCS-G60DP.
